RESIN RUBBER
BUILT TOUGH. DESIGNED TO FLEX

PREMIUM RUBBER SURFACING

BEAUTIFUL. SAFE. BUILT TO LAST.

UV-stable poured rubber surfacing for homes, pools, play areas & facilities

Soft underfoot, slip-resistant and seamless — a premium surface that looks great and stands up to the sun, water and years of use.

WHERE IT WORKS

FOR YOUR HOME

- Pool decks & surrounds
- Patios & walkways
- Backyard play areas
- Around hot tubs & spas
- Porches & ramps

FOR FACILITIES

- Playgrounds & splash pads
- Parks & walking paths
- Gyms & fitness floors
- Senior living & care homes
- Schools, HOAs & resorts

WHY CHOOSE RUBBER SURFACING

- Slip-resistant & safe
- UV-stable — won't fade or yellow
- Low-maintenance & seamless
- 12 designer color blends
- Soft, cushioned fall protection
- Permeable — water drains through
- All-weather, year-round durability
- Custom looks for any space

12 DESIGNER COLOR BLENDS — MATCH ANY SPACE
